

Bulk Container Express®

DuraGreen 40" x 48" x 47" Folding Plastic Container (2 Doors)

The DuraGreen 40 x 48 x 47 international collapsible bulk container is a medium-duty material handling container that is engineered with drop doors and a solid base. The 40 x 48 x 47 international bulk container is designed with a solid flat floor that provides a more usable internal cube for 95% cube utilization. With a 1,200 lb. capacity, this collapsible bulk container offers superior quality and value. The container has two drop doors that are on each 48 side. The 40 x 48 x 47 bulk container is built for stacking ease and maximization of truck volume. Pallet jack and 4-way forklift access allows for secure and efficient handling.

Bulk Container Express® warrants its containers for proper fit, form and function for a period of one year from date of shipment by Bulk Container Express. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
