

Bulk Container Express®

DuraGreen 45" x 48" x 41" Collapsible Bulk Box (2 Doors)

The DuraGreen 45 x 48 x 41 solid bottom, extended-height collapsible bulk container is a heavy-duty container ideal for a variety of applications. Made from high-density polyethylene, the 45 x 48 footprint, 41 height collapsible bin can hold up to 2,000 lbs. per load. Its extended height makes handling, storing, and transporting tall and hard-to-fit components easy within a 45 x 48 footprint. The container is made with two drop doors, equipped with articulating hinges, that make it simple to access its contents. This container is stackable both upright and collapsed. 100% recyclable. Optional lid.

| Dimensions | | Capacity | | Shipping | | Features | |

Bulk Container Express® warrants its containers for proper fit, form and function for a period of one year from date of shipment by Bulk Container Express. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
