

Bulk Container Express®

DuraGreen 40" x 48" x 34" Plastic Pallet Pack Container

DuraGreen DGP404834-C Plastic Pallet Pack is the 60 lb. Heavyweight, and can handle some of the most rigorous material handling tasks in a wide variety of applications. Its exceptional strength to weight ratio allows this 60 lb. reusable container to hold thousands of pounds stacked on top of it. And its light weight allows for easy handling and excellent worker safety. The pallet bottom and top are made from durable twin sheet high density polyethylene, and the sleeve is made from heavy-duty triple-wall plastic sheets. These 1,000 lb. capacity containers are built to provide years of service. The 40" x 48" footprint, 34" height containers are stackable, easy to assemble and knock down, are 100% recyclable, and save on storage and transportation costs. They have pallet jack and 4-way forklift access for secure and efficient handling. When not in use, the 7:1 nesting ratio provides money saving space utilization. Black color on tops and bottoms. Grey color on sleeve.
