## DuraGreen 30" x 32" x 25" Heavy-Duty Collapsible Bulk Container (2 Doors)

DuraGreen DGR323025-2 collapsible bulk containers are "premium products that promote environmental sustainability". These bulk containers offer superior quality and value, and are also in stock and readily available for immediate shipment. Made from high density polyethylene, these 2,000 lb capacity heavy-duty containers are built to provide years of service under the toughest conditions. These 30" x 32" footprint, 25" height containers are stackable, easy to assemble and knock down, are 100% recyclable, and save on storage and transportation costs. They have pallet jack and 4-way forklift access for secure and efficient handling. Drop gates on the 32" sides allow for easy access to contents of container. These collapsible bulk containers are ideal for storing and handling a variety of small and heavy parts. Black color. Optional lid.

### Spring Loaded Latches

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

### Interlocking Walls

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

### Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

Bulk Container Express® warrants its containers for proper fit, form and function for a period of one year from date of shipment by Bulk Container Express. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
