

Bulk Container Express®

DuraGreen 45" x 48" x 50" Hopper Bottom Collapsible Bulk Container

DuraGreen® DGR454850-HB hopper bottom collapsible bulk containers are state-of-the-art material handling containers engineered for long life under tough conditions and repeated use. These bulk containers offer superior quality and value, and are also in stock and readily available for immediate shipment. Made from high density polyethylene FDA approved material, these 2,000 lb capacity heavy-duty containers are built to provide years of service under the toughest conditions. Hopper bottom gravity feed containers are ideal for accurately dispensing small, granular materials such as seed, grain, powder, resins, and small, uniformly shaped products. With the Hopper Bottom containers, you eliminate the need to dump materials. Beige color. Optional lid.

Popular Uses:

- Resin
- Dry Chemicals
- Seed
- Grain
- Powders

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
