

Bulk Container Express®

DuraGreen 65" x 48" x 50" Extended Length Collapsible Bulk Container (2 Doors)

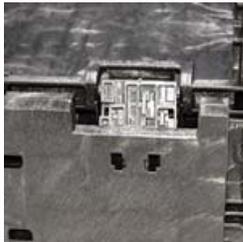

DuraGreen DGX654850-2L collapsible bulk containers are "premium products that promote environmental sustainability". These bulk containers offer superior quality and value, and are also in stock and readily available for immediate shipment. Made from high density polyethylene, these 1,700 lb capacity medium-duty containers are built to provide years of service under tough conditions. These 65" x 48" footprint, 50" height containers are stackable, easy to assemble and knock down, are 100% recyclable, and save on storage and transportation costs. They have pallet jack and 4-way forklift access for secure and efficient handling. Drop gates on the 65" sides allow for easy access to contents of container. These collapsible bulk containers are ideal for storing and handling a variety of component parts, industrial materials, and commercial supplies. Black color. Optional lid.

Popular Uses:

- Components
- Hardware
- Metal Parts
- Plastic & Rubber
- Resin & Powder
- Industrial Supplies
- Sub Assemblies
- Textiles
- Tools

Fully Articulating Hinges		Spring Loaded Latches		Solid Floor	
	Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall.		Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.		A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
