

# Bulk Container Express®

## DuraGreen 90 x 48 x 50 Extended Length Collapsible Bulk Container (2 Doors)

DuraGreen DGX904850-2 extended length collapsible bulk containers are state-of-the-art material handling containers engineered for long life under tough conditions and repeated use. These bulk containers offer superior quality and value. Made from high density polyethylene, these 1,200 lb capacity heavy-duty containers are built to provide years of service under the toughest conditions. These 90" x 48" footprint, 50" height containers are stackable, easy to assemble and knock down, are 100% recyclable, and save on storage and transportation costs. They have pallet jack and 4-way forklift access for secure and efficient handling. Drop gates on the 48" sides allow for easy access to contents of container. These collapsible bulk containers are ideal for storing and handling a variety of large component parts, industrial materials, and commercial supplies. Black color. Optional lid.

### Fully Articulating Hinges

Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall

### Spring Loaded Latches

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls

### Open Grid

The open grid floor on this container provides exceptional strength while lowering shipping weight and conforming to manufacturing facility fire codes.

Bulk Container Express® warrants its containers for proper fit, form and function for a period of one year from date of shipment by Bulk Container Express. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
