

Orbis 45" x 48" x 50" Heavy-Duty Collapsible Bulk Container (2 Doors)

Orbis HD454850-2 collapsible bulk containers are state-of-the-art material handling containers engineered for long life under tough conditions and repeated use. These bulk containers offer superior quality and value, and are also in stock and readily available for immediate shipment. Made from high density polyethylene, these 2,000 lb capacity heavy-duty containers are built to provide years of service under the toughest conditions. These 45" x 48" footprint, 50" height containers are stackable, easy to assemble and knock down, are 100% recyclable, and save on storage and transportation costs. They have pallet jack and 4-way forklift access for secure and efficient handling. Drop gates on the 48" sides allow for easy access to contents of container. These collapsible bulk containers are ideal for storing and handling a variety of component parts, industrial materials, and commercial supplies. Open grid bottom. Black color. Optional lid. Optional solid bottom pad.

Popular Uses:

- Components
- Hardware
- Metal Parts
- Plastic & Rubber
- Resin & Powder

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
