

Bulk Container Express®

Macro 45" x 48" Bulk Bin Lid

Macro M3234-L lids are made to use with Macro bulk bins. They are used extensively by the food processing industry for their superior durability, splinter resistant plastic, non-porous surfaces, lightweight construction, and rounded corners. Made from FDA-approved premium, injection molded plastic and certified safe for use with food products. Stackable, easy to clean, and are 100% recyclable. White color.

Popular Uses:

M484430-S

M484430-V

M484434-S

M484434-V

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
