

Bulk Container Express®

Macro 40" x 48" x 33" ShuttleBin 330 Vented

The ShuttleBin 330 is easy to set-up, use for displays, knock-down, and return. The easy-to-fold side walls allow the ShuttleBin to collapse to a height of 12.1 inches. Durable and fully-vented, this compact-folding bin is the single solution for retail transport, storage, and display.

Ventilated Construction

Over 600 ventilation holes provide enhanced airflow to maximize cooling and freshness

FDA Approval

This container is FDA-approved for the handling and processing of agricultural and food products

Rounded Corner Construction

Rounded corners and smooth surfaces mean fewer scuffs, abrasions, and cuts on your product.

Bulk Container Express® warrants its containers for proper fit, form and function for a period of one year from date of shipment by Bulk Container Express. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
