

Bulk Container Express®

Macro 44" x 48" x 34" 34-S ProBin Food Processing Bulk Container

Macro M484434-S 34-S ProBin plastic bulk bins are used extensively by the food processing industry for their superior durability, splinter resistant plastic, non-porous surfaces, lightweight construction, and rounded corners. Made from FDA-approved premium, injection molded plastic and certified safe for use with food products. These 1,300 lb capacity ProBin bulk containers are built to provide years of service. The 44" x 48" footprint, 34" height containers are stackable, easy to clean, and are 100% recyclable. They have pallet jack and 4-way forklift access for secure and efficient handling. White color.

Popular Uses:

- Seafood
- Meat
- Wine
- Vegetables
- Brining
- Pickling

FDA Approval		Smooth Wall Construction		Nested Shipping	
	This container is FDA approved for the handling and processing of agricultural and food products.
