

Bulk Container Express®

Macro 48" x 48" x 53" 48-FV MacroBin Vented Agricultural Bulk Container

New Lower Price

Macro M484453-V 48-FV MacroBin plastic bulk bins are used extensively by the agricultural industry for their superior durability, splinter resistant plastic, non-porous surfaces, lightweight construction, and rounded corners. Made from FDA-approved premium, injection molded plastic and certified safe for use with food products. These 3,000 lb capacity MacroBin bulk containers are built to provide years of service. The 48" x 48" footprint, 53" height containers are fully vented, stackable, easy to clean, and are 100% recyclable. They have pallet jack and 2-way forklift access for secure and efficient handling. White color.

Popular Uses:

- Apples
- Peppers
- Avacados
- Vegetables
- Onions
- Carrots
- Potatoes
- Sweet Potatoes

FDA Approval		Rounded Corner Construction		Ventilated Construction	
	This container is FDA approved for the handling and processing of agricultural and food products.		Rounded corners and smooth surfaces mean fewer scuffs, abrasions, and cuts on your product.		Over 600 ventilation holes provide enhanced airflow to maximize cooling and freshness

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
