## Schaefer BulkStac 48" x 45" x 17" Fixed Wall Container

Schaefer SB4845-17 BulkStac fixed wall containers are medium-duty material handling containers that are engineered with fixed walls. The BulkStac container has been innovatively designed with a flat deck that provides a more usable internal cube. BulkStac containers also provide stability with the periphery design of their runners, eliminating the need for a center foot. Made from high-density polyethylene, these 1,300 lbs. capacity BulkStac containers come equipped with a solid base and four drainage holes. The 48" x 45" footprint and 17" height containers are built for stacking ease and maximization of truck volume. With a pallet jack and 4-way forklift access for secure and efficient handling.

Dimensions		Capacity		Shipping		Features	
Exterior Height	17.40	Internal Volume ft <sup>3</sup>	11.11	53' Trailer Load	156	Drop Doors	N/A
Exterior Width	45.00	Weight Capacity (lbs)	1300	53' Load Collapsed	N/A	Door Height	N/A

Interior Width	41.50	Max. Stack Weight	N/A	Fork Lift Entry	4	Approvals	N/A
Interior Length	44.50	Floor Type	Solid	Weight (lbs)	75.70	Optional Lid	
Collapsed Height	N/A					Brand	Schaefer

Bulk Container Express® warrants its containers for proper fit, form and function for a period of one year from date of shipment by Bulk Container Express. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
