

Bulk Container Express®

Schaefer BulkStac 48" x 45" x 34" Returnable Bulk Container (2 Doors)

BulkStac SB4548-34 returnable bulk containers are medium-duty material handling containers engineered for long life under general purpose conditions and repeated use. These bulk containers offer superior quality and value, and are also in stock and readily available for immediate shipment. Made from high-density polyethylene, these 1,500 lb capacity containers are built to provide years of service under harsh conditions. These 45" x 48" footprint, 34" height containers are stackable, easy to assemble and knock down, are 100% recyclable, and save on storage and transportation costs. They have a pallet jack and 4-way forklift access for secure and efficient handling. Drop gates on the 48" sides allow for easy access to contents of the container. These returnable bulk containers are ideal for storing and handling a variety of component parts, industrial materials, and commercial supplies. Black color. Optional Lid.

Solid Floor

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

Corner Drain Holes

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

Fully Articulating Hinges

Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall.

Bulk Container Express® warrants its containers for proper fit, form and function for a period of one year from date of shipment by Bulk Container Express. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
